CLAY IN ITS PUREST FORM,
UNLIKE ANY OTHER MATERIAL
YOU KNOW

Project by Benoit Vaene | Photo by Catefine

PRODUCT SUMMARY

Project by Benoit Vaene | Photo by Catefine

- + Natural product
- + Non caustic
- + Recyclable and compostable
- + No water used during production process
- + Does not contain toxic substances
- + Excellent acoustic features
- + Lifespan significantly longer than paintwork
- + Repairable (locally and invisibly)

The vibrant clay textures are ideal for indoor dry and well ventilated humid areas.

THE CHARM OF CLAY,
ON EVERY SURFACE

- + Strong and extremely durable
- + Washable
- + Applicable to any base
- + Available in all Clay Finish colors
- + Multiple textures

Clay Paint is developed as an addition or alternative to Clay Finish. Surfaces subject to heavy wear such as hand rails, cabinets, splash walls,... will be better off with Clay paint.
